
Pike-Lincoln Technical Center Newsletter November 2017
FBLA CHAPTER

Fundraising

The FBLA chapter sold Krispy Kreme donuts as our first major fundraiser for this year. Thank you to all who purchased and helped us raise over \$700 to help cover the cost of our upcoming conferences and competitions. The committee also is taking orders for custom calendars that the Digital Media Program will be making before the end of this year. Orders for those are due on Friday, December 8th.

Prematurity Awareness Day

The students completed a March of Dimes-Prematurity Awareness Day on Friday, November 17. Staff and students were invited to wear purple to help support this cause for the day. The students took pictures and had a class discussion about the March of Dimes organization and what they do.

Plans for the New Year

The students have started studying and getting ready for district competitions. Districts is in February and will be here before we know it. The committees are discussing possible ideas for more things to do next semester. From all of us, we wish everyone Happy Holidays and all the best in the New Year!

Purple Day- November 17, 2017
